(Talk to 'em)

[Verse 1: Ciara]

Your touch is so magic to me  
The strangest things can happen  
The way that you react to me  
I wanna do something you can't imagine  
Imagine if there was a million me's  
Talkin' sexy to you like that  
You think you can handle, boy  
If I give you my squeeze  
And I need you to push it right back

[Pre-Hook: Ciara]

Baby, show me, show me what's your favorite trick  
That you wanna use on me and I'll volunteer  
And I'll be flowin' and goin' till clothing disappears  
Ain't nothin' but shoes on me, oh baby

[Hook: Justin Timberlake & Ciara]

All night show with just you and the crowd  
Doin' tricks you never seen  
And I bet that I can make you believe  
In love and sex and magic  
So let me drive my body around ya  
I bet you know what I mean  
Cause you know that I can make you believe  
In love and sex and magic

[Verse 2: Justin Timberlake]

Everything ain't what it seems, I wave my hands and I got you  
And you feel so fly assist in me  
But now its my turn to watch you, I ain't gon' stop you  
If you wanna crowd my neck, talk sexy to me like that  
Just do what I taught you girl when I give you my heat  
And I need you to push it right back

[Pre-Hook]

[Hook]

[Bridge: Justin Timberlake & Ciara]
