

# Feel

## Bilmuri

[Verse 1]

I'm numb, just like everyday for the past month  
And I'm done, it's like every other moment passes me by  
Cling on to the other side, even though I know it's futile  
Hold on to the air in my head, the air in my head

[Chorus]

I don't care anymore, I don't care anymore  
I don't care anymore, I don't care anymore

[Verse 2]

I'm numb when there's nobody left to run from  
And I'm done letting all of them dig a hole in my sides  
I'm just trying to stay alive, even though it just feels futile  
I don't know what to believe anymore

[Breakdown]

I don't know what to believe anymore  
I still feel alone sometimes  
I don't know what to believe anymore  
I still feel alone sometimes

[Chorus]

I don't care anymore, I don't care anymore  
I don't care anymore, I don't care anymore

[Outro]

I don't care anymore, I don't care anymore
