

Sex 4 Breakfast

KStewart

(Verse 1)

I, I don't wanna go to work, baby
But I don't feel like bein' real lazy
Lyin, yeah, we could get a little crazy
Get the most important meal of the day, baby
Uh, now won't you butter me up?
I need it right on cue, like a (?)
Oh, you got me fallin' in love
When you gotta hit the gym, cause we're workin' it out

(Refrain)

Cause I want your body
My, on my body
It's 9 in the morning
And that's time for lovin', oh

(Pre-Chorus)

I go to bed with an appetite
Wake me up, bring me back to life
Yeah, we can put it in overdrive, uh
Just give me that, give me that

(Chorus)

Sex for breakfast, and cups for tea, uh
Guilty pleasure takin' over me
Uh, give me that, give me that
Sex for breakfast, extra cream
We can have breakfast in bed
If you wanna sleep in with me

(Verse 2)

Ay, don't gotta rush
We keep our own pace
Huh, yeah, i'd rather get to work late
I'm up, yeah, boy you got me wide awake
You know I like syrup with my pancakes, uh
So won't you cook it for me?
Right here, right now is where I wanna be, uh
Ah, yeah, we under the sheets

Gotta get out the kitchen if you can't stand the heat

(Refrain)

Cause I want your body
My, on my body
It's 9 in the morning
And that's time for lovin', oh

(Pre-Chorus)

I go to bed with an appetite
Wake me up, bring me back to life
Yeah, we can put it in overdrive, uh
Just give me that, give me that

(Chorus)

Sex for breakfast, and cups for tea, uh
Guilty pleasure takin' over me
Uh, give me that, give me that
Sex for breakfast, extra cream
We can have breakfast in bed
If you wanna sleep in with me

(Bridge)

Boy, we got fatal attraction
And they got me going crazy
And they got me actin' lazy
You are the perfect distraction
I wanna do this, baby
Baby, come and give me

(Chorus)

Sex for breakfast, and cups for tea, uh
Guilty pleasure takin' over me
Uh, give me that, give me that
Sex for breakfast, extra cream
We can have breakfast in bed
If you wanna sleep in with me

(Outro)

Sex for breakfast
Sex for breakfast
Give me that, give me that
