

# I Write the Songs

Barry Manilow

I've been alive forever  
And I wrote the very first song  
I put the words and the melodies together I am music and I write the songs  
I write the songs that make the whole world sing  
I write the songs of love and special things  
I write the songs that make the young girls cry I write the songs, I write the songs  
My home lies deep within you  
And I've got my own place in your soul  
Now when I look out through your eyes I'm young again, even though I'm very old  
I write the songs that make the whole world sing  
I write the songs of love and special things  
I write the songs that make the young girls cry  
I write the songs, I write the songs  
Oh, my music makes you dance  
And gives your spirit to take a chance  
And I wrote some rock 'n' roll so you can move  
Music fills your heart, well, that's a real fine place to start  
It's from me, it's for you  
It's from you, it's from me  
It's a worldwide symphony  
I write the songs that make the whole world sing  
I write the songs of love and special things  
I write the songs that make the young girls cry  
I write the songs, I write the songs  
I write the songs that make the whole world sing  
I write the songs of love and special things  
I write the songs that make the young girls cry  
I write the songs, I write the songs  
I am music and I write the songs
