

Superstar (feat. Krewella)

Pegboard Nerds & NGHTMRE

You're the superstar above me when the sun goes down
The one and only who can light this town
And when you're feeling like you're burning out
I will remind you That you're a superstar and you don't need a golden crown
Cause everybody needs a hero now
And when the weight is like a million pounds
I'll stand behind you
Cause you're a superstar, a superstar
Cause you're a superstar, a superstar
Cause you're a superstar, a superstar
Cause you're a superstar, a superstar
You're the superstar and you don't need a golden crown
Cause everybody needs a hero now
And when the weight is like a million pounds
I'll stand behind you
Cause you're a superstar, a superstar
Cause you're a superstar, a superstar
Cause you're a superstar, a superstar
Cause you're a superstar, a superstar
I will remind you
That you're a superstar and you don't need a golden crown
Cause everybody needs a hero now
And when the weight is like a million pounds
I'll stand behind you
Cause you're a superstar, a superstar
Cause you're a superstar, a superstar
