

# Honey

## R. Kelly & JAY-Z

It's the boy Jay-Z and the boy R. Kel  
The best of both worlds, please believe it  
Brookland, Chi-town, to all the beautiful ladies in the world  
Dedicated to TT, my niece, everybody in the world, talk to 'em Kel  
That's right, tone this is mean and vicious man, so mean and vicious  
Rockland, roc-a-fella, the best of both worlds, come on Lord forgive me I'm ballin' out of control  
Got the spirit of a hustler pouring out of my soul  
Mami I love you but ain't no stopping my stroll  
If you wanna be down with me you gotta roll  
Like a roll and if my side of the bed gets cold  
You gotta know that I'm out chasin' dough, I'm ain't stunting these hoes  
Stunting my growth if I fuck 'em I'm fleeing them  
I need something to hold then I'm home to you  
I might roam like a cellular phone  
But I never leave you alone I  
Solemnly swear, I was married to the block before I met you  
It's still a part of me there but I  
Solemnly swear, I try but it's in my blood  
Pumping yay since I was yay high, I'm in love with the life  
So accept me for the bastard that I am  
You're still in love with me right? Baby I can't figure it out  
Yo' kiss is just like honey  
But I can't stop huggin' the block  
All night tryna get this money  
Baby I can't figure it out  
Yo' kiss is just like honey  
But I can't stop huggin' the block  
All night tryna get this money  
Stuck between these two worlds  
What I'm gon' do with both these girls?  
Two main squeezes in separate cities  
Both found out man, shit ain't pretty  
Stuck between these two worlds  
What I'm gon' do with both these girls?  
Hard to choose between her and these streets  
'Cause the game keeps calling me Baby girl had me off my grind, off my clock  
I would often find I was off my block  
Couldn't keep her off my mind, my balls were shot  
They never thought that a pause or stop  
Was in my pores to push rock raw  
Take a lost rebound like Bo Outlaw, I'm so outlaw  
Got a hunger for this game but keep that on the low Like a one against the grain, got the sun

against my brain  
A girl in my ear, I like her for her  
I'm addicted to this shit, I like it like I like her  
Sometimes I can't figure it out  
I'm in love with the life but she's sticking it out  
She know wanna hug kisses keep a nigga in the house  
Locked down while his niggas is out, outBaby I can't figure it out  
Yo' kiss is just like honey  
But I can't stop huggin' the block  
All night tryna get this money  
Baby I can't figure it out  
Yo' kiss is just like honey  
But I can't stop huggin' the block  
All night tryna get this moneyStuck between these two worlds  
What I'm gon' do with both these girls?  
Two main squeezes in separate cities  
Both found out man, shit ain't pretty  
Stuck between these two worlds  
What I'm gon' do with both these girls?  
Hard to choose between her and these streets  
'Cause the game keeps calling meBaby I can't figure it out  
Yo' kiss is just like honey  
But I can't stop huggin' the block  
All night tryna get this money  
Baby I can't figure it out  
Yo' kiss is just like honey  
But I can't stop huggin' the block  
All night tryna get this moneyStuck between these two worlds  
What I'm gon' do with both these girls?  
Two main squeezes in separate cities  
Both found out man, shit ain't pretty  
Stuck between these two worlds  
What I'm gon' do with both these girls?  
Hard to choose between her and these streets  
'Cause the game keeps calling me
