

# Take Me There

## Blackstreet, Blinky Blink, Mase & Mýa

Take me there, I wanna go there  
Take me there, Let's go there  
Take me to that great place with wonders and wishes  
Take me there, I wanna go there  
Take me there. Let's go there  
just take me to that great place with wonders and wishes  
Sittin here thinkin bout yesterday  
About what we did and how we used to play  
Just the thought of you bring a smile upon my face  
That's how it makes me feel to see you everyday  
Where we go, nobody knows  
And what we do, is between me and you  
So c'mon and take my hand, to that special place  
Where smiles come to life, and dreams come true  
Take me there, I wanna go there  
Take me there, Let's go there  
Take me to that great place with wonders and wishes  
Take me there, I wanna go there  
Take me there. Let's go there  
just take me to that great place with wonders and wishes  
Let's make a wish  
Close your eyes and count to five  
Cuz you know that everything will be alright  
See the magic in your eyes  
Cuz the love you know  
To bring your dreams to life  
Where we go, Nobody knows  
And what we do, is between me and you  
So c'mon and take my hand, to that special place  
I don't ever want this dream to go away  
Take me there, I wanna go there  
Take me there, Let's go there  
Take me to that great place with wonders and wishes  
Take me there, I wanna go there  
Take me there. Let's go there  
just take me to that great place with wonders and wishes  
Now Lil is the one with all the exposure  
Phil is the one who drop in the stroller  
Tommy got the whole world on his shoulders  
And Phil cries to sleep,  
Til' his eyes get bleak  
I'm identical to Chucky, Chucky to petro  
Chucky get scared, Chucky says "Let's Go."  
If I was a rugrat, it would've been so real  
Me and my twin would've been just like Phil and Lil  
Got one wish, Blink grant you one trip  
Where we going, it's an adventure, who you wanna come with  
See you my little brother that I'll come get

Run with, But it gotta be done quick  
See Chucky is scared and Tommy is sad  
And Phil and Lil misses their mom and dad  
So take the time of day  
And we'll find the place  
And I guarantee that we will all get home safe Just Take me there! Take me there, I wanna go  
there  
Take me there, Let's go there  
Take me to that great place with wonders and wishes  
Take me there, I wanna go there  
Take me there. Let's go there  
just take me to that great place with wonders and wishes
