

# Outside (feat. Ellie Goulding)

Calvin Harris

Look at what you've done  
Stand still, falling away from me  
When it takes so long  
Fire's out, what do you want to be? Now I'm holding on  
Myself was never enough for me  
Gotta be so strong  
There's a power in what you do  
Now, every other day I'll be watching you I'll show you what it feels like  
Now I'm on the outside  
We did everything right  
Now I'm on the outside  
I'll show you what it feels like  
Now I'm on the outside  
We did everything right  
Now I'm on the outside So you give me no reason  
For me to stay close to you  
Tell me what lovers do  
How are we still breathing?  
It's never for us to choose  
I'll be the strength in you Now I'm holding on  
Myself was never enough for me  
Gotta be so strong  
There's a power in what you do  
Now, every other day I'll be watching you  
I'll show you what it feels like  
Now I'm on the outside  
We did everything right  
Now I'm on the outside I'll show you what it feels like  
Now I'm on the outside  
We did everything right  
Now I'm on the outside I'll show you what it feels like  
Now I'm on the outside  
I'll show you what it feels like I'll show you what it feels like  
Now I'm on the outside  
We did everything right  
Now I'm on the outside
