

# Cigarette Daydreams

## Cage the Elephant

[Verse 1]

Did you stand there all alone?  
Oh I cannot explain what's going down  
I can see you standing next to me  
In and out somewhere else right now  
You sigh, look away  
I can see it clear as day  
Close your eyes, so afraid  
Hide behind that baby face

[Pre-Chorus]

Do do do do do do

[Chorus 1]

You can drive all night  
Looking for the answers in the pouring rain  
You wanna find peace of mind  
Looking for the answer

[Verse 2]

Funny how it seems like yesterday  
As I recall you were looking out of place  
Gathered up your things and slipped away  
No time at all I followed you into the hall  
Cigarette daydream  
You were only seventeen  
So sweet with a mean streak  
Nearly brought me to my knees

[Pre-Chorus]

Do do do do do do

[Chorus 2]

You can drive all night  
Looking for the answers in the pouring rain  
You wanna find peace of mind  
Looking for the answer  
If we can find a reason, a reason to change  
Looking for the answer  
If you can find a reason, a reason to stay

Standing in the pouring rain

[Bridge]

Do do do do do

Do do do do do

Do do do do do

Do do do do do

[Chorus 2]

You can drive all night

Looking for the answers in the pouring rain

You wanna find peace of mind

Looking for the answer

If we can find a reason, a reason to change

Looking for the answer

If you can find a reason, a reason to stay

Standing in the pouring rain
