

# Wholesale Love

Buddy Miles

Wholesale love, girl  
Wholesale love, girl  
Wholesale love, girl The way you used to call my name  
You make it sound sweet and plain  
The way you kiss and hold me so  
Make me love you more and more, yeah  
Yeah, with that wholesale love, all right The way you touch me inside  
You bring the tears from my eyes  
You make my heart and touch my lips  
You make my heart go flippity flip, yeah  
Yeah, with that wholesale love, all right  
I got some wholesale love, girl  
Wholesale love, girl  
Some good old wholesale love, girl  
Come on now The way you touch me inside  
You bring the tears from my eyes  
The way you kiss and touch my lips  
You make my heart go flippity flip, yeah  
Yeah, with that wholesale love, all right The way you used to call my name  
You make it sound sweet and plain  
The way you kiss and hold me so  
Make me love you more and more, yeah  
Yeah, with that wholesale love, all right I got some wholesale love, girl  
Wholesale love, girl  
Some lovely wholesale love, girl  
Come on now  
Get a job, I got it  
You can get it, I got it  
You can get it, I got it  
You can get it, I got it Good old wholesale love  
Good old wholesale love  
And you can get it if you want it  
You can get it if you need it Good old wholesale love  
Good old wholesale love  
You can get it, get it, get it, get it, get it  
You can get it, get it, get it, get it, get it Good old wholesale love  
Good old wholesale love
