

Shut It Down

Party Favor & Dillon Francis

[Pre-Drop 1]

'Bout to shut it, 'bout to shut it down
'Bout to shut it, 'bout to shut it
'Bout to shut it, 'bout to shut it down
'Bout to shut it, yeah, we 'bout to shut it
'Bout to shut it, 'bout to shut it down
'Bout to shut it, 'bout to shut it
'Bout to shut it, 'bout to shut it down
'Bout to shut it, 'bout to shut it down

[Drop]

Yeah, we 'bout to shut it down
Yeah, we 'bout to shut it down
Oh yeah, that's it
I said I'm 'bout to shut it down
Yeah, we 'bout to shut it down

[Break]

Whoa now, whoa now
Let me see you go now, go now
I don't wanna see you slow down, slow down, baby, what?
All my ladies shake they ass

[Drop]

Oh yeah, that's it
Yeah, we 'bout to shut it down

[Pre-Drop 2]

Whoa now, whoa now
Let me see you go now, go now, go now
Whoa now, whoa now
Let me see you go now, go now, go now
Whoa now, whoa now
Let me see you go now, go now, go now
Whoa now, whoa now
Let me see you go now, go now, go now

[Drop]

Yeah, we 'bout to shut it down
Yeah, we 'bout to shut it down

Yeah, we 'bout to shut it down
Yeah, we 'bout to shut it down
Yeah, we 'bout to shut it down
Yeah, we 'bout to shut it down
Yeah, we 'bout to shut it down

[Outro]

Yeah, we 'bout to shut it down
Yeah, we 'bout to shut it down
