

# You May Be Right

Billy Joel

Friday night I crashed your party  
Saturday I said I'm sorry  
Sunday came and trashed me out again  
I was only having fun  
Wasn't hurting anyone  
And we all enjoyed the weekend for a change I've been stranded in the combat zone  
I walked through Bedford-Stuy alone  
And I rode my motorcycle in the rain  
And you told me not to drive  
But I made it home alive  
So you said that only proves that I'm insane  
You may be right  
I may be crazy  
Oh, but it just may be a lunatic you're looking for  
Turn out the light  
Don't try to save me  
You may be wrong for all I know  
But you may be right Well, remember how I found you there  
Alone in your electric chair  
I told you dirty jokes until you smiled  
You were lonely for a man  
I said take me as I am  
'Cause you might enjoy some madness for a while Now think of all the years you tried to  
Find someone to satisfy you  
I might be as crazy as they  
If I'm crazy then it's true  
That it's all because of you  
And you wouldn't want me any other way  
You may be right  
I may be crazy  
Oh, but it just may be a lunatic you're looking for  
It's too late to fight  
It's too late to change me  
You may be wrong for all I know  
But you may be right You may be right  
I may be crazy  
Hey, but It just may be a lunatic you're looking for  
Turn out the light  
Oh, don't try to save me  
You may be wrong for all I know  
You may be right You may be wrong but you may be right  
You may be wrong but you may be right

You may be wrong but you may be right  
You may be wrong but you may be right  
You may be wrong but you may be right  
You may be wrong but you may be right  
You may be wrong but you may be right  
You may be wrong but you may be right  
You may be wrong but you may be right
