[Verse 1]

Can you give me a chance?
Can you give me a chance?
We're back at sea, still remembering
'Cause I'm holding on, hope you feel the same

[Pre-Chorus]

On this ground, I spill my blood
'Till it turns red with how I feel

[Chorus]

Cascade
I keep holding on
And I keep this heart
Keep it on my sleeve
I feel this weight
I feel it in my chest
I keep wondering
Do you think of me?

[Verse 2]

Can you give me a chance?
Can you give me a chance?
'Cause I keep my heart where you can see
Even past the point when you turn and leave

[Pre-Chorus]

On this ground, I spill my blood
'Till it turns red with how I feel

[Chorus]

Cascade
I keep holding on
And I keep this heart
Keep it on my sleeve
I feel this weight
I feel it in my chest
I keep wondering
Do you think of me?

Do you think of me?
