

# Magic Game

## Sliimy

You said I'm gay, but I'm cool  
Maybe anorexic but look at you  
You should taste my cupcake, it's for you  
'Cause Mr Sliimy can kill you with some food  
Do you like hurt me? Yeah that's cool!  
But when I'm crying, it's not you  
Said thanks to the bottles for the tears cause' maybe without drink you will never have tears  
Congratulations 'cause now I have a big inspiration guys

What kind of magic game can I play with you  
Lalalala I whispered  
Abracadabra and you seem down now  
What kind of magic game can I play with you  
Lalalala shut up  
Abracadabra hang up and listen

They said you're gay, you're harmful  
I know you're so rejected  
But look at you, you are the only real smile, light up this game  
Game, play the game cast a spell  
Take a piece of kindness but not soon  
Add a piece of anger, shake up  
You can mix and let's see if they move, maybe with this drink you will just find peace  
Congratulations cause' now we have a big inspiration guys
