

Bipolar

Sneakbo & Geko

(Geko)

She knows i'm crazy
She knows i'm mental
She told me i'm bipolar
But i'm happy when I phone her

She called me a m-m-m-m-m-m-mindfuck
She called me a m-m-m-m-m-m-mindfuck
She called me a m-m-m-m-m-m-mindfuck
She called me a m-m-m-m-m-m-mindfuck

(Sneakbo)

She's a ten out of ten
Got her up in the benz
Both get a mil then I put her to bed
Late nights every night spice giving me head
I told her that the pussy's mine till i'm gone and dead
She wan give it to me, give it so I give her the D
I fuck the pussy in Morocco, fuck the pussy in East
She tell me that i'm hella vicious, i'm a hell of a beast
I did a rum-bum [?] slap on the cheek
Like oh yeah
Drop my money cos I really don't care
(Ya mad)

Baby tell me what you want, tell me where you wanna go and we can go there
(That's right)

(Geko)

She knows i'm crazy
She knows i'm mental
She told me i'm bipolar
But i'm happy when I phone her

She called me a m-m-m-m-m-m-mindfuck
She called me a m-m-m-m-m-m-mindfuck
She called me a m-m-m-m-m-m-mindfuck

She called me a m-m-m-m-m-m-mindfuck

What are you doing to me?

She's a ten out of ten, got her shotting the juice
And the type to be sitting somewhere hot in the coup
And the loving might be lies but the sex be the truth
And she cold when we're kissing, i'm blocking the flu
She want give it to me give it so I give her the pipe
Fuck the pussy anywhere, the fucking pussy be tight
And she tell me that i'm vicious, i'm a hell of a guy
I do the dum-dum dick her down between the thigh

Like oh yeah, baby show me show me where you hide it
Open up girl let me sign it
Get you wet, girl, make you drip down, down, down

She knows i'm crazy
She knows i'm mental
She told me i'm bipolar
But i'm happy when I phone her

She called me a m-m-m-m-m-m-mindfuck
She called me a m-m-m-m-m-m-mindfuck
She called me a m-m-m-m-m-m-mindfuck
She called me a m-m-m-m-m-m-mindfuck
