

Wonderful World

Tin Star

Wonderful world when are you coming round?
Wonderful world stop spinning round
Yeah I guess I'm always going to need
Somewhere to go where I am free
Somewhere to go where I'm not found
To make no sense and hear no sound
Can't see the sky can't feel the ground
I guess I'm coming down too late

Wonderful world where are you coming round?
Wonderful world why don't you stick around?
Yeah I guess I'm always going to need
Somewhere to go where I am free
Somewhere to go where I'm not found
To make no sense and hear no sound
Can't see the sky can't feel the ground
I guess I'm coming down - too late
Leaving I'm leaving I'm leaving I'm leaving
I'm coming down too late

I guess I'm always gonna need
Somewhere to go where I am free
Somewhere to go where I'm not found
To make no sense and hear no sound
Can't see the sky can't feel the ground
I guess I'm coming down too late
