

# From a Distance

Ronan Tynan, Brian Byrne & Royal Philharmonic Orchestra

From a distance the world looks blue and green  
And the snow capped mountains white  
From a distance the ocean meets the stream  
And the eagle takes to flight  
From a distance, there is harmony  
And it echoes through the land  
It's the voice of hope, it's the voice of peace  
It's the voice of every man  
From a distance we all have enough  
And no one is in need  
And there are no guns, no bombs, and no disease  
No hungry mouths to feed  
From a distance we are instruments  
Marching in a common band  
Playing songs of hope, playing songs of peace  
They're the songs of every man  
God is watching us, God is watching us  
God is watching us from a distance  
From a distance you look like my friend  
Even though we are at war  
From a distance I just cannot comprehend  
What all this fighting is for  
From a distance there is harmony  
And it echoes through the land  
And it's the hope of hopes, it's the love of loves  
It's the heart of every man  
(Every man) It's the hope of hopes, it's the love of loves  
This is the song of every man  
And God is watching us, God is watching us  
God is watching us from a distance  
Oh, God is watching us, God is watching  
God is watching us from a distance
