

# I Want to Know What Love Is

## Foreigner

I've gotta take a little time,  
A little time to think things over.  
I better read between the lines,  
In case I need it when I'm older. Now this mountain I must climb -  
Feels like the world upon my shoulders.  
But through the clouds I see love shine -  
It keeps me warm as life grows colder. In my life there's been heartache and pain;  
I don't know if I can face it again.  
Can't stop now, I've traveled so far  
To change this lonely life... I wanna know what love is.  
I want you to show me.  
I wanna feel what love is.  
I know you can show me.  
I'm gonna take a little time,  
A little time to look around me.  
I've got nowhere left to hide -  
It looks like love has finally found me. In my life there's been heartache and pain;  
I don't know if I can face it again.  
I can't stop now, I've traveled so far  
To change this lonely life... I wanna know what love is.  
I want you to show me.  
I wanna feel what love is.  
I know you can show me. I wanna know what love is.  
I want you to show me.  
(And I wanna feel) I wanna feel what love is.  
(And I know) I know you can show me.  
(Let's talk about love) I wanna know what love is.  
(Love that you feel inside) I want you to show me.  
(And I'm feeling so much love) I wanna feel what love is.  
(Oh no you just cannot hide) I know you can show me. I wanna know what love is.  
(Let's talk about love) I want you to show me.  
(I wanna feel it) I wanna feel what love is. (I wanna feel it, too)  
(And I know, and I know) I know you can show me. (Hold me back if I'm wrong) I wanna know  
what love is. (I wanna know)  
I want you to show me. (I wanna know, I wanna know, I wanna know)  
I want to feel what love is. (I wanna feel)  
I know you can show me.
