

# Foot Stompin'

## The Dovells

Boom-boom-boom-boom)  
Ev'rybody young n' old  
Learns how to rock n' roll  
Listen hear, somethin' new  
Ev'rybody's jumpin, too

(Bom-bom)

Foot stompin', foot stompin'  
Foot stompin', foot stompin'  
Foot stompin', foot stompin'  
Foot stompin', foot stompin'  
Foot stompin'  
Foot-stompin', a good time

No wondering and a-guessin'  
Don't need dancin' lessons  
Listen to the jerky beat  
Shake yo' head and stomp yo' feet

Foot stompin', foot stompin'  
Foot stompin', foot stompin'  
Foot stompin', foot stompin'  
Foot stompin', foot stompin'  
Foot stompin'  
Foot-stompin', a good time

People just the other day  
Taught it to my sister, Mae  
Bad leg, Mr. Pete  
Can do the foot stompin', too

(Bom-bom)

Foot stompin', foot stompin'  
Foot stompin', foot stompin'  
Foot stompin', foot stompin'  
Foot stompin', foot stompin'  
Foot stompin'  
Foot-stompin', a good time

(instrumental - guitar & sax)

(Boom-boom-boom-boom)

Meet me at the dance hall

(Yeah)

We're gonna have a ball

Sure cure for a corn

'Fore long, real gone

Foot stompin', foot stompin'

Foot stompin', foot stompin'

Foot stompin', foot stompin'

Foot stompin', foot stompin'

Foot stompin'

Foot-stompin', a good time

Foot-stompin'

A-foot-stompin', a good time

(Footsteps to end fade)
