

# Two-Timing Touch and Broken Bones

## The Hives

It's official  
Full judicial  
Ends in physical  
This I know

Best keep quiet  
You don't listen to me anyway  
You're going to lose and it's going to show  
It's far too late to avoid it so  
Oh, what's that sum?  
It added up to nothing 'cause you're much too dumb

Two-timing touch and broken bones  
Two-timing touch and broken bones  
Two-timing touch and broken bones  
Two-timing touch and broken -

Bad decision  
Repetition  
Should you listen  
Or let it go  
Uh!

Best say something  
When you're thinking that you'll get it back  
But it's too late to avoid it so  
It's far too late and I got to know  
Oh what's that sum?  
It added up to nothing 'cause you're much too dumb

Two-timing touch and broken bones  
Two-timing touch and broken bones  
Two-timing touch and broken bones  
Two-timing touch and broken bones

Two-timing touch and broken bones  
Two-timing touch and broken bones  
Two-timing touch and broken bones

Two-timing touch and broken bones
