## New Found Glory

I'm sorry  
I heard about the bad news today  
A crowd of people around you  
Telling you it's okay  
And everything happens for a reason When you lose a part of yourself  
To somebody you know  
It takes a lot to let go  
Every breath that you remember  
Pictures fade away but memory's forever An empty chair at all the tables  
And I'll be seeing you when all my days boil down  
But it's better where your going anyway  
I'm sorry  
I heard about the bad news today  
It's really hard to get through  
Tough times and long days  
But it really just depends on the season When you lose a part of yourself  
To somebody you know  
It takes a lot to let go  
Every breathe that you remember  
The pictures fade away  
but memory's forever An empty chair at all the tables  
And I'll be seeing you when all my days boil down  
For now well say goodbye  
We know its not the last time  
I've lost the best part of my day  
But its better where your going anyways  
An empty chair at all the tables  
And I'll be seeing you when all my days boil down For now we'll say goodbye  
We know it's not the last time  
I've lost the best part of my day This is the last thing  
I will remember  
Its better where you're going anyway
