Hey yeah yeah, bay-baby

Wachu wa-ant

[Pre-Chorus: Ammara Brown]

When you hold her in the night, are you busy setting sights on me
When you hold her in the night, are you thinking of your time with me

[Verse: Ammara Brown]

Eh

On the side you calling my line

On the sly you want my FaceTime

Low key, low key, low key

You sitting with her but you staring at me hey

Many times I told you no

You got a girlfriend just let me go

Now you claiming that you in love with me

Ah! Mhando imwe-e

[Bridge: Ammara Brown]

'Cause I'm no one-time lover, soon you'll discover

No one-time lover, soon you'll discover

I'm no one-time lover, soon you'll discover

Make up your, make up your mind

[Chorus: Ammara Brown]

Wachu want from me, wachu want from me-e

Wachu want from me, baby, baby

Wachu want from me, wachu want from me-e

Wachu want from me, baby, baby, eh

[Verse 2: Chengeto Brown]

Oh you say you wanna love me long time

'Cause you know I got the wickedest style

Want me to be your one and only

Knowing very well that you got a lady

Hold up boy now, slow your roll down

'Cause I can never be second to no one

You don't know how, to treat a girl like me

[Bridge: Chengeto Brown]

'Cause I'm no one-time lover, soon you'll discover

No one-time lover, soon you'll discover
I'm no one-time lover, soon you'll discover
Make up your, make up your mind

[Chorus: Ammara Brown and Chengeto Brown]
Wachu want from me, wachu want from me-e
Wachu want from me, baby, baby
Wachu want from me, wachu want from me-e
