

Summer Romance (Anti-Gravity Love Song)

Incubus

I'm home alone tonight
Full moon illuminates my room and sends my mind aflight
I think I was dreaming up some thoughts that were seemingly
Possible with you And so I call you on the tin can phone
We rendezvous at a quarter-two and make sure we're alone
I think I've found a way for you and I to finally fly free When we get there, we're gonna fly so
far away
Making sure to laugh while we experience anti-gravity
Anti-gravity, anti-gravity
For years, I kept it to myself
Now potentialities are bound and living under my shelf
Simply, choose your destination from the diamond canopy
And we'll be there And so I call you on the tin can phone
We rendezvous at a quarter-two and make sure we're alone
I think I've found the way for you and I to finally be free
When we get there, we're gonna fly so far away
Making sure to laugh while we experience anti-gravity
Anti-gravity, anti-gravity, oh yeah Anti-gravity, anti-gravity, oh yeah
