

Every Little Thing

Young the Giant

[Refrain 1]

Oh, I'm always
Home, I'm always home...

[Verse 1]

In time, I could see you break
Burn and see your robbers don't shake
Walking on your tree vines
Tell him that you know your crimes

[Refrain 2]

Oh, I'm always
Home, I'm always...

[Verse 2]

When the sun has gathered 'round and all is safe
Cross the falls to the southern river where the robbers drank

[Chorus]

Oh, oh, oh, I know that I was wrong
Oh, oh, oh, and that means every little thing
Oh, oh, oh, I want a fuck and a fight
Oh, oh, oh-oh...

[Verse 3]

In time, I could see you shake...

When the sun has settled down and I'm awake
Blessed souls in the southern river where the robbers sank, oh

[Refrain 3]

Oh, I'm always
Home, I'm always
Home, I'm always
Home, I'm always...

[Chorus]

Oh, oh, oh, I know that I was wrong
Oh, oh, oh, and that means every little thing
Oh, oh, oh, I want a fuck and a fight

Oh, oh, oh-oh...

[Outro]

Every little thing to, woah-oh oh
Every little thing to, woah-oh oh
Every little thing to, woah-oh oh
Every little thing to, woah-oh oh

Every little thing to, woah-oh oh
Every little thing to, woah-oh oh

Every little thing...
