

# Don't Let the Sun Go Down On Me

Elton John & George Michael

I can't light no more of your darkness  
All my pictures seem to fade to black and white  
I'm growing tired and time stands still before me  
Frozen here on the ladder of my life Too late to save myself from falling  
I took a chance and changed your way of life  
But you misread my meaning when I met you  
Close the door and left me blind by the light Don't let the sun go down on me  
(don't let the sun)  
Although I search myself it's always someone else I see  
I'd just allow a fragment  
(don't let the sun) of your life  
To wander f-r-e-e...  
By losing everything is like the sun going down on me  
I can't find oh the right romantic line  
But see me once and see the way I feel  
Don't discard me just because you think I mean you harm  
But these cuts I have oh they need love to help them heal Don't let the sun go down on me  
(don't let the sun)  
Although I search myself it's always someone else I see  
I'd just allow a fragment  
(don't let the sun) of your life  
To wander f-r-e-e...  
By losing everything is like the sun going down on me  
Don't let the sun go down on me  
(don't let the sun)  
Although I search myself it's always someone else I see  
I'd just allow a fragment  
(don't let the sun) of your life  
To wander f-r-e-e... yeah  
By losing everything is like the sun going down on me
