

# Many Tears Ago

Connie Francis

They said your cheating heart will make me cry  
And like a fool I gave it a try  
I should've listened when they told me so  
Many many tears ago But I could not believe the things they said  
Because my heart over ruled my head  
I should've listened when they told me so  
Many many tears ago I laughed out loud when they told me  
That you had someone else  
But your cheating heart has shown me  
That I was foolin myself  
I know it's too late for a brand new start  
For I have cried you out of my heart  
I should've listened when they told me so  
Many many tears ago I laughed out loud when they told me  
That you had someone else  
But your cheating heart has shown me  
That I was foolin myself  
I know it's too late for a brand new start  
For I have cried you out of my heart  
I should've listened when they told me so  
I should've listened when they told me so  
Many many tears ago
