

# Get You (feat. Kali Uchis)

Daniel Caesar

Through drought and famine, natural disasters  
My baby has been around for me  
Kingdoms have fallen, angels be calling  
None of that could ever make me leave  
Every time I look into your eyes I see it  
You're all I need  
Every time I get a bit inside I feel it Ooooooh, who would've thought I'd get you  
Ooooooh, who would've thought I'd get you And when we're making love  
Your cries they can be heard from far and wide  
It's only the two of us  
Everything I need's between those thighs  
Every time I look into your eyes I see it  
You're all I need  
Every time I get a bit inside I feel it  
Ooooooh, who would've thought I'd get you  
Ooooooh, who would've thought I'd get you And I'll take some time  
Just to be thankful  
That I had days full of you, you  
Before it winds down into  
The memories, It's all just memories (If you've got someone you like...)  
Don't you love when I come around  
(...feel something that's right somebody just tell somebody)  
Build you up then I take you down  
(If you've got someone you like...)  
Don't you love when I come around  
(...feel something that's right somebody just tell somebody)  
Build you up then I take... Ooooooh, who would've thought I'd get you  
Ooooooh, who would've thought I'd get you  
This feels like summer  
Boy you make me feel so alive  
Just be my lover  
Boy you'll lead me to paradise
