

Enchanted Life

Samantha James

Looking in your eyes
I see all the things I
Need to keep moving on
Stepping into
Adventure that's facing
I'm wondering what's
Out there, what's
In store on this journey
If I get my wish you'll
Be with me each step
Of the way
I hope we can find
Secrets to an
Enchanted life, oh
But time doesn't matter
And no inhibitions from me
There's so much to see
And I hope I can see it today
Tomorrows no promise
So lets get it going
Today
Don't want to wait
Any longer, no, no
Don't want to wait
Any longer, no, no
The moment you trust
In the beauty of us
You can take my hand
As we first connected
You knew I would
Show you the way
All the choices you made
In the path you created
Brought you here
There's no way to measure
How deep the pleasure
You feel
I hope we can find
Secrets to an
Enchanted life, oh

But time doesn't matter
No inhibitions from me
There's so much to see
And I hope I can see it today
Tomorrows no promise
So lets get it going today
Don't need to wait
Any longer, no
Don't want to wait
Any longer, no
Don't need to wait
Any longer, no
Don't want to wait
Any longer, no
Don't need to wait
Any longer, no
Don't want to wait
Any longer, no
