

Live Like a Warrior

Matisyahu

Feel like the world don't love you
They only want to push you away
Some days people don't see you
You feel like you're in the way
Today you feel, as if everyone hates
Pointing their fingers, looking at your mistakes
You do good, they want great
No matter what you give they still want to take
Give your love and they throw it back
You give your heart they go on attack
When there's nothing left for you
Only thing that you can do, say
Today, today, live like you wanna,
Let yesterday burn and throw it in a fire, in a fire, in a fire,
Fight like a Warrior
Today, today, live like you wanna,
Let yesterday burn and throw it in a fire, in a fire, in a fire,
Live like a Warrior
There some things you should let go, there only gonna pull you down,
Just like weight on your shoulder they are only gonna make you drown,
We all swing high, we all swing low,
We all got secrets people don't know
We all got dreams we can't let go
We want to brave, don't be afraid
Noo, Today, today, live like you wanna,
Let yesterday burn and throw it in a fire, in a fire, in a fire,
Fight like a Warrior
Today, today, live like you wanna,
Let yesterday burn and throw it in a fire, in a fire, in a fire,
Live like a Warrior
Your heart is too heavy from things you carry a long time,
Been up you been down, tired and you don't know why,
But you're never gonna go back, you only live one life
Let go, let go, let goooo, Let go, let go,
let goooo, Let go, let go, let goooo, say
Today, today, live like you wanna,
Let yesterday burn and throw it in a fire, in a fire, in a fire
Live like a Warrior
Today, today, live like you wanna,
Let yesterday burn and throw it in a fire, in a fire, in a fire,
Live like a Warrior
Let go,
Live like a warrior
