Bobby V

[Verse 1: Bobby Valentino]

For a minute it was looking like
I'd end up one of those guys
Spending my whole life
Looking for a special lady to save me
Maybe I'll never be satisfied
Had a couple bad lucks and a couple dimes
Now that I'm looking for you
Why are you so hard to find?

[Hook 1: Bobby Valentino]

I thought I took one step
I took two back
I'm not even close this time
And that's a fact
All I know is that we'd be the perfect match
So where you at love?
I just gotta find you, yeah

[Hook 2: Bobby Valentino]

I wanna know, I wanna know
Your name, Your name, Your name
Why you gotta be anonymous?
I gotta know, I gotta know
Your name, your name, your name
Why you gotta be anonymous?
Baby, I want you so much
Wanna hold, wanna feel your touch
Come fast girl I'm in a rush
Why you gotta be anonymous?
I wanna know, I gotta know
Your name, your name, your name
Why you gotta be anonymous?

[Bridge 1: Bobby Valentino]

What's your name?
(Anonymous)
Where you at?
(Anonymous)
When I think about you I get a rush

I wanna meet my Miss Anonymous

[Verse 2]

Only see you when I close my eyes
We on borrowed time
When I delayed the sunlight
Everything I tried to tell you I failed to
Maybe I'll tell you another time
How you keeping me so pre-occupied
Got a strong hold on me
Pay me no never mind

[Hook]

[Verse 3: Timbaland]

Or Kathy Lee? (Or Kathy Lee?)
