Gonna tell the world what he did for me Don't worry, don't cry

That's a voice I hear inside

But it's hard for me to see Tomorrow's but a dream

'Cause today's reality

Is right in front of me They say, "you'll never make"

They say, "you can never change it"

"What you are is what you'll always be"

They say that I should give up

"Once you're down you'll never get up"

But that's not the truth for me, no! Who the Son sets free

You best believe is free indeed

Wanna take it to the streets

My Lord delivered me Who the Son sets free

Best believe is free indeed

Wanna dance and shout and scream

I'm free, indeed F-r-e-e

Free

F-r-e-e

Free

F-r-e-e

Free

Gonna tell the world what he did for me

I've tried and tried and tried

To make this mountain step aside

Or to climb it on my own But what you did was more than help

Do what I couldn't do myself

You said that I was not alone Then I thought I'd never make

You came along and then you changed it

Made a way somehow and brought me through 'Cause I was just about to give up

You took my hand said, "baby get up"

Now here I stand because of you

(Stand because of you) Who the son sets free

Best believe is free indeed

Gonna take it to the streets

My Lord delivered me Who the Son sets free

Best believe is free indeed

Gonna dance and shout and scream
