

# First Time

## Lifehouse

We're both looking for something  
We've been afraid to find  
It's easier to be broken  
It's easier to hide Lookin' at you  
Holdin' my breath  
For once in my life  
I'm scared to death  
I'm takin' a chance  
Letting you inside We're feelin' alive all over again  
As deep as the sky under my skin  
Like bein' in love, she says  
For the first time  
Maybe I'm wrong  
I'm feelin' right  
When I'm alone  
With you tonight  
Like bein' in love with you  
For the first time The world that I see inside you  
Waitin' to come to life  
Waking me up to dreamin'  
Reality in her eyes Looking at you  
Holdin' my breath  
For once in my life  
I'm scared to death  
I'm takin' a chance  
Letting you inside  
We're feelin' alive all over again  
As deep as the sky under my skin  
Like bein' in love, she says  
For the first time Maybe I'm wrong  
I'm feelin' right  
When I'm alone  
With you tonight  
Like bein' in love with you  
For the first time We're crashing  
Into the unknown  
We're lost in this  
But it feels like home Feelin' alive all over again  
As deep as the sky that's under my skin  
Like bein' in love, she says  
For the first time Well maybe I'm wrong  
I'm feelin' right

When I'm alone  
With you tonight  
Like being'in love with you  
For the first time  
Like bein' in love, she says  
For the first time  
Like bein' in love with you  
For the first time.
