

# Freak Me (feat. Tekno)

Ciara

Oh, oh, oh  
Na-na-na-na-na, na-na, na-na  
Ayy, yah, hey  
Oh, oh, oh  
Na-na-na-na-na, na-na, na-na  
YeahYeah, kpo kpo di kpo kpo (I like that)  
Love the way you wine d Coco  
I like when you get it down so local  
Put it down on the African boyWine slow on it, take control of it  
Take all of it, yeah, all of it  
Said you want it, now you own it  
I know what you like, I know what you like  
Go down, baby, stay down, baby  
In and out with it, right now, baby  
I'll make you smile, baby, make you proud, baby  
I know what you like, I know what you like  
I love how you take care of me  
That good good always there for me  
All I want, you got all I need  
Lovin' on your body, yeahI'll be the freak, be the freak, be the freak  
Be the freak that you need  
No, no I won't tell nobody, I won't tell nobody  
How you freak my body  
I'll be the freak, be the freak, be the freak  
Be the freak that you need  
No, no I won't tell nobody, I won't tell nobody  
How you freak my bodyFreaky, freaky  
How you freak me  
Freaky, freaky  
How you freak me  
Lock eyes with me, good vibes, baby  
Left side, baby, right side, baby  
Out the lights, let me give you that fire, baby  
I know what you like, I know what you like  
Do it over and over  
Turn me on like remote controller  
Up and down like a roller coaster  
I know what you like, I know what you likeI love how you take care of me  
That good good always there for me  
All I want, you got all I need  
Lovin' on your body, yeahI'll be the freak, be the freak, be the freak  
Be the freak that you need
