

Believe

Orianthi

[Verse 1]

You made it so easy to fall
I had no fear at all
I saw you beside me
You never saw me there at all
I promised you all this
I made plans thinking this was it
I never imagined I'd find you and lose myself instead
I just never pictured it would end

[Chorus]

And I, I wanna believe in love
I wanna believe in something bigger than the two of us (The two of us)
And I, I wanna breathe again
I wanna go back to the days, the days I had my innocence
I wanna believe again

[Verse 2]

I picked up the pieces and put them back where they belonged
But something's missing, but a part of me will carry on
I'm gonna learn to trust again

[Chorus]

And I, I wanna believe in love
I wanna believe in something bigger than the two of us (The two of us)
And I, I wanna breathe again
I wanna go back to the days, the days I had my innocence
I wanna believe in love

[Guitar Solo]

[Chorus]

And I, I wanna believe in love
I wanna believe in something bigger than the two of us
And I, I wanna breathe again
I wanna go back to the days, the days I had my innocence
I wanna believe again
I wanna believe (I wanna believe again)
I wanna believe (I wanna believe again)

[Outro]
I wanna believe again
