

# Gimme Gimme

## G-Eazy & Carnage

[Chorus: G-Eazy]

Yeah, gimme, gimme, gimme money (yeah)  
Spendin', spendin', spendin' money (yeah)  
People say they want my spot? (Yeah)  
But you'll never get it from me (yeah)  
Yeah, gimme, gimme, gimme money (yeah)  
Spendin', spendin', spendin' money (yeah)  
People say they want my spot? (Yeah)  
But you'll never get it from me (yeah)

[Verse 1: G-Eazy]

Squad is deep, my team strong  
This right here is my theme song  
Go and get it when I need somethin'  
Always knew I was gonna be someone  
Got myself, I don't need no one  
I'm pourin' up with some weed blowin'  
'Cause up's the only way we goin'  
These hoes turn up to hear me flowin'  
And I don't plan on ever stoppin' (nope)  
It get lonely at the top (yeah)  
Yeah, the air is rare up there (you know)  
You know, these haters pray that I flop (yeah)  
Yeah, I'm on point like an ice pick  
On lock like a vice grip  
And your girl is on my tip  
You'll never see the day that I slip

[Chorus: G-Eazy]

Yeah, gimme, gimme, gimme money (yeah)  
Spendin', spendin', spendin' money (yeah)  
People say they want my spot? (Yeah)  
But you'll never get it from me (yeah)  
Yeah, gimme, gimme, gimme money (yeah)  
Spendin', spendin', spendin' money (yeah)  
People say they want my spot? (Yeah)  
But you'll never get it from me (yeah, yeah)

[Verse 2: G-Eazy]

Uh, gloomy goblin with the green hair

This too easy, it don't seem fair  
Kush got me on a bean chair  
She top me good, she must be square  
Movin' slow but I'm livin' fast  
This shit happened to me in a flash  
Brown bags, yeah, I'm gettin' cash  
Put half of it up in a stash  
They say they down, they be switchin' fast  
That shit fake, it don't get a pass  
Put the pussy up in a cast  
Mortal Kombat, I finish that  
Seen the world in my A's hat  
Drinkin' straight, I don't chase that  
It's time you haters all face that  
Nef the Pharaoh said, "Say that"

[Chorus: G-Eazy]

Yeah, gimme, gimme, gimme money (yeah)  
Spendin', spendin', spendin' money (yeah)  
People say they want my spot? (Yeah)  
But you'll never get it from me (yeah)  
Yeah, gimme, gimme, gimme money (yeah)  
Spendin', spendin', spendin' money (yeah)  
People say they want my spot? (Yeah)  
But you'll never get it from me (yeah)  
Yeah, gimme, gimme, gimme money (yeah)  
Spendin', spendin', spendin' money (yeah)  
People say they want my spot? (Yeah)  
But you'll never get it from me (yeah)  
Yeah, gimme, gimme, gimme money (yeah)  
Spendin', spendin', spendin' money (yeah)  
People say they want my spot? (Yeah)  
But you'll never get it from me (yeah)
