

# Islands in the Stream

Barry Manilow & Reba McEntire

Baby, when I met you there was peace unknown  
I set out to get you with a fine tooth comb  
I was soft inside  
There was something going on You do something to me that I can't explain  
Hold me closer and I feel no pain  
Every beat of my heart  
We got something going on Tender love is blind, it requires a dedication  
All this love we feel needs no conversation  
We can ride it together, ah, ha  
Making love with each other, ah, ha  
Islands in the stream, that is what we are  
No one in between, how can we be wrong?  
Sail away with me to another world  
And we rely on each other, ah, ha  
From one lover to another, ah, ha I can't live without you if the love was gone  
Everything is nothing if you got no one  
And you just walk in the night  
Slowly losing sight of the real thing But that won't happen to us and we got no doubt  
Too deep in love and we got no way out  
And the message is clear  
This could be the year of the real thing No more will you cry, baby, I will hurt you never  
We start and end as one, in love forever  
We can ride it together, ah, ha  
Making love with each other, ah, ha  
Islands in the stream, that is what we are  
No one in between, how can we be wrong?  
Sail away with me to another world  
And we'll rely on each other, ah, ha  
From one lover to another, ah, ha Sail away, sail away  
Sail away with me  
One, two Islands in the stream, that is what we are  
No one in between, how can we be wrong?  
Sail away with me to another world  
And we'll rely on each other, ah, ha  
From one lover to another, ah, ha Here we go  
Islands in the stream, that is what we are  
No one in between, how can we be wrong?  
Sail away with me to another world  
And we'll rely on each other, ah, ha  
From one lover to another, ah, ha
