

2 MUCH (feat. 24hrs)

Flosstradamus

Too, too much xans

Too much molly

Too much money

Too much body

No ID

Blocked my call

I throw money

Watch it fall

Too, too much xans

Too much molly

Too much money

Too much body

No ID

Blocked my call

I throw money

Watch it fall

I throw money

Watch it fall

No ID

Blocked my call

I throw money

Watch it fall

Too much xans

Too much molly

Too much money

Too much body

No ID

Blocked my call

I throw money

Watch it fall

Too, too much xans

Too much molly

Too much money

Too much body

No ID

Blocked my call

I throw money

Watch it fall

I throw money

Watch it fall

No ID

Blocked my call

I throw money
Watch it fall
Too much xans
Too much molly
Too much money
Too much body
No ID
Blocked my call
I throw money
Watch it fall
Too, too much
Too much
Too, too much
Too much
Too, too much
Too much
Too, too much
Too much
Too, too much
