

# Soldier

## Jauz & Krewella

[Verse 1]

Tell me one more time  
Wanna taste it on your mouth  
Burnin' up your mind  
Fever when you're comin' down  
Crossin' every line  
Yeah, I'd do it all for you, ooh

Climbin' like a vine  
Cut me off like sugarcane  
Damn, you get me high  
Sweep me up like hurricane  
Never say goodbye  
Yeah, I'd do it all for you, yeah

[Pre-Chorus]

Ain't nobody know ya'  
Like I fuckin' know ya'  
Ain't nobody hold ya'  
Like I hold ya'  
When you're feelin' low, yeah  
I'm ready to go, yeah  
Keep on fightin' for ya'  
Like a soldier

Oh, I might get caught up and carried away  
You wouldn't wanna have me another way

[Chorus]

Ain't nobody know ya'  
Like I fuckin' know ya'  
Ain't nobody hold ya'  
Like I hold ya'  
When you're feelin' low, yeah  
I'm ready to go, yeah  
Keep on fightin' for ya'  
Like a soldier

Oh yeah (x3)

For ya' like a soldier

[Verse 2]

Let me change the vibe  
Put it down and comatose  
Holy over time  
Heaven 'til you overdose  
Crossin' every line  
Yeah, I'd do it all for you, yeah

Feel the water rise  
Build you up a barricade  
Till we're out of time  
See it through like cellophane  
Never say goodbye  
Yeah, I'd do it all for you, yeah

[Pre-Chorus]

Ain't nobody know ya'  
Like I fuckin' know ya'  
Ain't nobody hold ya'  
Like I hold ya'  
When you're feelin' low, yeah  
I'm ready to go, yeah  
Keep on fighting for ya'  
Like a soldier

Oh, I might get caught up and carried away  
You wouldn't wanna have me another way

[Chorus]

Ain't no body know ya'  
Like I fuckin' know ya  
Ain't nobody, ain't nobody, ain't nobody...
