

# Dance With Me

112

I see you looking at me  
I can tell by your eyes that your feeling me  
And I really want you to get close with me So won't you dance with me, dance with me  
My drop tops in the parking lot  
And I wanna take you back to my spot  
We can snuggle a little, more time to us So won't you dance with me, dance with me  
I can see it in your eyes that your looking at the time  
You wanna leave this party and I know you wanna leave with me  
To chill with me, to drink with me, to freak with me, oh baby I see you looking at me  
I can tell by your eyes that your feeling me  
And I really want you to get close with me  
So won't you dance with me, dance with me  
My drop tops in the parking lot  
And I wanna take you back to my spot  
We can snuggle a little, more time to us So won't you dance with me, dance with me  
I see you looking at me  
I can tell by your eyes that your feeling me  
And I really want you to get close with me So won't you dance with me, dance with me  
My drop tops in the parking lot  
And I wanna take you back to my spot  
We can snuggle a little, more time to us So won't you dance with me, dance with me  
Everybody sing along  
If you sexy and you know it clap your hands  
If you sexy and you know it clap your hands  
If you sexy and you know it and you really wanna show it

And I really want you to get close with me So won't you dance with me, dance with me  
My drop tops in the parking lot  
And I wanna take you back to my spot  
We can snuggle a little, more time to us So won't you dance with me, dance with me

I see you looking at me  
I can tell by your eyes that your feeling me  
And I really want you to get close with me  
So won't you dance with me, dance with me  
My drop tops in the parking lot  
And I wanna take you back to my spot  
We can snuggle a little, more time to us  
So won't you dance with me, dance with me
