

Slow Twistin'

Chubby Checker

Baby baby baby baby take it easy
Let's do it right (Let's do it right)
Ah baby take it easy
Don't you know we got all night (Um Um Yeah)
Cause there's no, no twistin'
Like a slow, slow twistin' with you

Yeah a little crazy motion
Is all you need (Just a little bit a room now baby)
Ah twist a slow devotion
You don't need speed (But it takes a lot of soul now honey)
Cause there's no, no twistin'
Like a slow, slow twistin' with you

Ah come on, come on
And please me baby (Yeah yeah yeah yeah)
Come on and tease me baby (Um Um Um)
Come on and drive me crazy (Come on now)
Come on and let's a twist it baby (Um Um Um)
Cause there's no, no twistin'
Like a slow, slow twistin' with you

Ah you gonna last longer, longer
Just a take your time (round and round we go now honey)
Ah you're gonna feel stronger
And I feel so fine (Let's twist it slow now baby)
Cause there's no, no twistin'
Like a slow, slow twistin' with you

Ah come on, come on yeah
Ah come on, come on and please me baby (Um Um Um)
Come on and tease me baby (Yeah yeah yeah)
Come on and drive me crazy (Come on come on come on)
A twist it a take it easy baby
Cause there's no, no twistin'
Like a slow, slow twistin' with you
(Let's twist go now)

You gonna last longer, longer
Just a take your time (Round and round we go now honey)

Ah you gonna feel stronger, a longer
And I feel so fine Yeah, yeah
Cause there's no, no twistin'
Like a slow, slow twistin' with you
