

Shut Up & Kiss Me

Orianthi

You're too loud, I'm so hyper
On paper we're a disaster
And I'm driving you crazy
It's my little game I push you and you push back
Two opposites so alike that
Everyday's a roller coaster
I'm a bump you'll never get over This love

(Love)

Hate

(Hate)

Relationship

You say you can't handle it
But there's no way to stop this now
So shut up and kiss me Kick

(Kick)

Scream

(Scream)

Call it quits But you're just

(Just)

So

(So)

Full of it 'Cause it's too late
To close your mouth
Shut up and kiss me

So shut up

So shut up I call you and you pick up

I tell you how much I'm in love

I'm laughing and you get mad

It's my little game Go ahead now, admit it

You like your world with me in it

Like a record, it's broken

Yeah, I'm a bump you'll never get over This love

(Love)

Hate

(Hate)

Relationship You say you can't handle it

But there's no way to stop this now

So shut up and kiss me Kick

(Kick)

Scream

(Scream)

Call it quits But you're just

(Just)
So
(So)
Full of it'Cause it's too late
To close your mouth
Shut up and kiss meYou miss my lips, my kiss, my laugh
The riffs on my guitar
The way we fight, we make up fast
Ooh yeahSo shut up
Love hate
Love hate
Love hate'Cause it's a love
(Love)
Hate
(Hate)
RelationshipYou say you
(You)
Can
(Can)
Handle itBut there's no way to stop this now
So shut up and kiss meKick
(Kick)
Scream
(Scream)
Call it quitsBut you're just so freaking full of it
'Cause it's too late to shut your mouth
Shut up and kiss me
