

Crying for No Reason

Katy B

I pushed all my problems to the back of my mind
Then they surfaced in my dreams, vague on the light
I sweep all my issues to somewhere I can find
In hope that I'll forget but there's just so many times
Why can't I be strong and just confront all
my fears?
When my fear is hurting you by being sincere
But how many more days can I run? How many years?
Emotions flooding and I was so soon and so clear
Crying for no reason, feel the tears roll down
I felt strong but am I breaking now?
Crying for no reason 'cause I buried it deep
I made promises I could not keep
'Cause I never faced all the pain I caused
Now the pain is hitting me full force
I pushed all my problems to the back of my brain
A darkness deep inside where I just can't find my way
How can I walk with a smile? Get on with my day
When I deceived myself pretending it's all okay
I tried my best to hold it all together, I know
The strings have worn away and now I'm all exposed
I try to hide it all away on top of the shelf
I can lie to everyone but not to myself
Crying for no reason feel the tears roll down
I felt strong but am I breaking now?
Crying for no reason 'cause I buried it deep
I made promises I could not keep
'Cause I never faced all the pain I caused
Now the pain is hitting me full force
Forgive me now 'cause I said that I'll be there for you, care
for you
I let you down, I walked away
'Cause there were things I couldn't say to you, say to you
I'm breaking now
I burned some bridges down
There must be some way out
The voices speak so loud
Will you forgive me now?
I burned some bridges down
There must be some way out
The voices speak so loud
Will you forgive me now?
Crying for no reason, feel the tears roll down
I felt strong but am I breaking now?
Crying for no reason 'cause I buried it deep
I made promises I could not keep
And I never faced all the pain I caused
Now the pain is hitting me full force.
