

Another Way to Die (From "Quantum of Solace")

Jack White & Alicia Keys

Another blinger with the slick trigger finger for Her Majesty
Another one with the golden tongue poisoning your fantasy
Another bill from a killer turned a thrill into a tragedy
A door left open
A woman walking by
A drop in the water
A look in the eye
A phone on the table
A man on your side
Someone that you think that you can trust is just another way to die
Another tricky little gun giving solace to the one
that will never see the sunshine
Another inch of your life sacrificed for your brother in the nick of time
Another dirty money heaven sent honey turning on a dime
A door left open
A woman walking by
A drop in the water
A look in the eye
A phone on the tableA man on your sideSomeone that you think that you can trust is just
Another way to die
Another girl with her finger on the world singing to ya what you wanna hear
Another gun thrown down and surrendered
took away your fear
Hey!
Another man that stands right behind you looking in the mirror
A door left open
A woman walking by
A drop in the water
A look in the eye
A phone on the table
A man on your side
or someone that you think that you can trust is just another way to die
