coolin on the corner with the cellular phone
and you could tell that the east bay was his home
more mail than the rest of the pushers
cuz he got a tec-9 in the bushes
and thats how his shit was handled
first name jack last name daniels
had two boys named E and J
E had the nine and J the AK
clocked on a street called Hennessy
robbers with the mutha fuckin name O E
E had a bitch and her name was Gin
who had a nigga name juice doin time in the pen
you couldnt tell but gin was a bitch though
cuz she was fuckin some nigga named sysco
E and J knew tonight they'd come
with two fat niggas named Bacardi and Rum
the caps jacked hoe and the sight was scary
the bitch was all bloody and her name was mary
officer Martini wiped up the body
and all finger pointed at rum and bacardi
E and J told Jack the hotel
but jack tried to bail juice out the jail
but OE had the judge on a payroll clock
so jack chopped the judge up
and broke juice out
and everybody's talkin bout Gin and Juice
juice shot gin cuz the bitch was loose
now E is shook thinkin they aint gonna get me
i round up the posse and call up mickey
mickey was big he only sold 8 balls
and 99 niggas up against the wall
E and J found out he made the call
so E and J and jack and juice 9'd em all
they were sent to the morgue and mickey payed the bill
got the money from his bitch went to strawberry hill
jack and jucie said mickey wouldnt survive
but mickey was slick he ad a colt 45
and now he's wondering how he got the word
it was a neighborhood wyno thunderbird
wonder how the murder rap got so much juice

Chorus check it out (3x)

mickey sets his eyes on the thunderbird
time for the hurricane E say word
thunderbird in the alley way wearing the benny
tring to give her wet for the cop mr martini
st ives screwed up thunderbirds top
spilled his drink and gave em straight to the cops
but its too late martini knows it all
mickey and his boy OE were slanging 8 balls
a crystal to the strawberries on the hill
so when he asked for juice he got a quick fill
mickey had his boy on burning block
the murderous cop killer mr peppermint schnapps
mickey has this thing about nosey cops
and it made mr peppermint lose his top
martini off duty waitin for the night train
didnt know if his wife champaign would ever see him again
peppermint schnapps creepin with the colt 45
got a pierced cap for the train to ride
tryin to stay low and vibe
come the train the boys knew the eigneur well as a chain
the two on the train and then a gun blast
martini fell on the ground there was a big spalsh
mr schnapps got up cuz the cops chased him
so now mickeys in a vet in front of the station
let you know jack and juice was undercover
