

Idiot

Slick Idiot

Slick Idiot! ...Speed It Up! Every Talker Needs A Listener, Every Ship Needs The Open Sea,
Every Can Needs A Prisoner, Every Day Needs You And Me. Between Euphoria And
Depression, I Still Find Time To Stay In Fashion,
I'm Hysterical, Isn't It Funny? Uncle Sam Wants You To Stay A Dummy.
Tell Me About It! Lifeless Middleman! ...Speed It Up! Moving On With Your Crazy Life, You
Know You're Guilty But Your Satisfied,
Moving On With Your Crazy Fight, You Crave What You Crave
But You Know That You Shouldn't, You Know You Shouldn't!
War! Peace! Love! Grief! Every Lie Creates A Crime, Every Sky Needs The Rain To Cry,
Every Spy Needs To Operate, Every Cop Needs To Confiscate.
Tell Me About It! Lifeless Middleman! ...Speed It Up!
Moving On With Your Crazy Life, You Know You're Guilty But Your Satisfied,
Moving On With Your Crazy Fight, You Crave What You Crave
But You Know That You Shouldn't, You Know You Shouldn't! War! Peace! Love! Grief!
