

As Time Goes By

Jimmy Durante

You must remember this
A kiss is just a kiss
A sigh is just a sigh
The fundamental things apply
As time goes by

And when two lovers woo
They still say "I love you,"
On that you can rely
No matter what the future brings
As time goes by

Moonlight and love songs
Never out of date
Hearts full of passion
Jealousy and hate
Woman need man, and man must have his mate
That no one can deny

It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by

(2nd two verses are usually repeated a second time)
