

Hold Strong

Rob Bailey & The Hustle Standard

Rob Bailey The Hustle Standard (FLAGNORFAIL)

Hold strong people, hold strong

Revolutionary, front line standing

Solitary mind state, kind of scary

Take a deep breath

Take a deep breath

And put me on the front line

Put me on the front line x 3

HOLD STRONG im battle tested x3

Im battle tested x2

HOLD STRONG im battle tested x3

Im battle tested x2

Follow me until the end

Follow me if you can

Heart beating faster

Don't forget to breath

And put me on the front line

Put me on the front line x3

HOLD STRONG im battle tested x3

Im battle tested x2

HOLD STRONG im battle tested x3

Im battle tested x2

If you want it all, come and follow me. 3x

I'm battle tested

Hold strong, I'm battle tested 3x

I'm battle tested 2x

Hold strong, I'm battle tested 3x

I'm battle tested 2x
