(spoken)

Hey! Will you put that pizz- look! Stop it!

This is not right. You shouldn't be fighting!

Listen to Uncle Charlie!

[Verse 1]

(sung)

Whether you're the boss

Or someone's pet

The more you give

The more you're gonna get!

[Chorus]

[PUPPIES]

You've got a little or a lot

[CHARLIE, spoken]

That's it!

[PUPPIES]

You've got to share 'cause you know what?

[CHARLIE, spoken]

That's it! Hey, I'm proud of ya!

[PUPPIES]

Each other's all that we have got

The sun'll shine, if you share all the time!

[CHARLIE]

What's mine is yours

[PUPPIES]

You've got a little or a lot!

[CHARLIE]

What's yours is mine

[PUPPIES]

You've got to share 'cause you know what?

[CHARLIE]

The more you share

[PUPPIES]

Each other's all that we have got!

[CHARLIE]

The more the sun'll shine

[PUPPIES]

The sun'll shine

If you share all the time!

[CHARLIE]

Whether you're the boss

[PUPPIES]

If you're a boss or just a pet

[CHARLIE]

Or someone's pet

[PUPPIES]

I will be glad to make a bet!

[CHARLIE]

The more you give

[PUPPIES]

The more you give, the more you get!

[CHARLIE & PUPPIES]

The more you're gonna get!

[PUPPIES]

More than you had!

[CHARLIE & PUPPIES]
The more you're gonna get!

[PUPPIES]
All your life!

[CHARLIE & PUPPIES]
The more you're gonna get!

[PUPPIES]
All your life!

[CHARLIE & PUPPIES]
The more you're gonna get!
