

Revival

Zach Williams

[Verse 1]

Your strength that found me at my weakest
Your grace poured out at my despair
When I feel lifeless, tired, burned out and defeated
Your perfect love will find me there

[Chorus]

You called my name, You made all things new
Oh, I was dead, but look at me now
I've found revival in You
You gave me life, 'cause that's what You do
Oh, I was dead, but look at me now
I've found revival in You

[Verse 2]

Wild dreams that breathe into existence
My broken heart began to beat
There's no more fear and doubt, my bitter disappointments
Became my greatest victory

[Chorus]

Oh, You called my name, You made all things new
Oh, I was dead, but look at me now
I've found revival in You
You gave me life, 'cause that's what You do
Oh, I was dead, but look at me now
I've found revival in You

[Bridge]

It's all because of You, all because of You
I am alive in Jesus, I am alive
It's all because of You, oh it's all because of You
I am alive in Jesus, I am alive

[Chorus]

Oh, You called my name, You made all things new
Oh, I was dead, but look at me now
I've found revival in You
You gave me life, 'cause that's what You do
Oh, I was dead, but look at me now

I've found revival in You

[Outro]

Oh, I was dead, but look at me now
I've found revival in You
