

# You Are More

## Tenth Avenue North

There's a girl in the corner  
With tear stains on her eyes  
From the places she's wandered  
And the shame she can't hide  
She says, "How did I get here?  
I'm not who I once was.  
And I'm crippled by the fear  
That I've fallen too far to love"  
But don't you know who you are  
What's been done for you?  
Yeah don't you know who you are?  
You are more than the choices that you've made  
You are more than the sum of your past mistakes  
You are more than the problems you create  
You've been remade  
Well she tries to believe it  
That she's been given new life  
But she can't shake the feeling  
That it's not true tonight  
She knows all the answers  
And she's rehearsed all the lines  
And so she'll try to do better  
But then she's too weak to try  
But don't you know who you are?  
You are more than the choices  
that you've made  
You are more than the sum of your past mistakes  
You are more than the problems you create  
You've been remade  
You are more than the choices that you've made  
You are more than the sum of your past mistakes  
You are more than the problems you create  
You've been remade  
'Cause this is not about what you've done  
But what's been done for you  
This is not about where you've been  
But where your brokenness brings you to  
This is not about what you feel  
But what He felt to forgive you  
And what He felt to make you loved  
You are more than the choices that you've made  
You are more than the sum of your past mistakes  
You are more than the problems you create  
You've been remade  
You are more than the choices that you've made  
You are more than the sum of your past mistakes  
You are more than the problems you create  
You've been remade  
You've been remade  
You've been remade  
You've been remade  
You've been remade  
You've been remade
